

VALLEY PREDATORS FOOTBALL SPONSORSHIP PACKAGES

The Valley Predators, a minor league adult, developmental, community football team, with quality players from NFL retirees, college, other minor league teams, to recent high school graduates from our local schools. We are beginning our second season in the LCFL-Western Conference and we serve the Southwest Riverside County area. Championship games are played within each conference with the final game resulting in the acquisition of the coveted Diamond and Ruby trophy followed by an All-Star game highlighting the players with the highest statistics in the league.

The mission of the Valley Predators is to provide adult athletes the opportunity to continue to play organized football and further develop their athletic abilities. Players will be challenged to adhere to high professional ethics and standards of excellence. We are committed to providing solid guidance to athletes throughout the Valley area and bringing quality football entertainment to our fans.

Our first season we placed 2nd in the league passing tournament and finished our season having six (6) of our players selected for the league All-Stars team. We offered football/speed training camp to our youth, as well as participating in community service projects.

Our team can only exist with the support/partnerships of our community businesses. A sponsorship opens the window of opportunity for YOUR business to be a part of something great. For your support, we are prepared to make a very generous advertising offer included in the following packages:
